

## ***Draft Briefing & Schedule for 2006 in Scotland***

We advise that you should plan to be in your 'chosen' accommodation from the evening of Monday August 14<sup>th</sup> until breakfast Sunday August 20<sup>th</sup>. [We are providing a 'recommended' listing of great places to stay and we shall be offering our own 'subsidised' appropriately timed transport to and from these throughout.] Then you won't miss a thing. Of course if you want to arrive earlier or depart later, we know you'll do just that. And if you want to lodge other than at places on the recommended list we also know you will, but we cannot be responsible for your transportation alas.

**Pre-Conferential Day's Events:** This is the *Draft* Schedule intended to give a good overview of what is planned. The Global Conference begins with a pre-Conferential Day either on the Royal Musselburgh Golf Course seeking to win the 'Willie Park Trophy' or taking a delightful trip along the coast of the Firth of Forth to Dunbar and Tantallon Castle. Either way, everyone is expected to be at The Prestoungrange Gothenburg by 6pm for the Tuesday night Informal Welcome and the Formal Registration. The Prestoungrange Gothenburg is home to The Prestoungrange Arts Festival and will be the focus for the Conference throughout. [N.B. ***Do not be anxious*** that the Prestoungrange Gothenburg is amongst its other roles a 'pub'. Those who do not drink will be able to enjoy all its other many facilities at all times.]

**Transportation:** All delegates staying at 'officially listed' hotels will have available a 'subsidised' bus service back and forth starting Tuesday evening after Registration and each day onwards until after the close of the Conference on Saturday night after the Tattoo at Edinburgh Castle. The 'contribution' per trip will be US\$2 / £1.20 each way. Delegates with their own hire cars might still wish to use this service if they are sampling the whiskies or the real ales brewed at The Prestoungrange Gothenburg.

**Your Own Town's Display:** We very much hope that you will find room in your baggage to bring items/ displays from your own murals' community for all of us to see. The programme also quite particularly looks for 'share and compare' activities in a grand way. When completing the Registration Form there is a box asking you to confirm that you'll bring your displays and share your stories. Please complete it appropriately and we shall make sure you have a stall to display at from Tuesday night till Friday – and the chance to share your successes and the rest of your story.

**Tuesday 15<sup>th</sup> August**
