THE BARON COURTS OF PRESTOUNGRANGE & DOLPHINSTOUN

Barons traditionally exercised their feudal rights and authority through Baron Courts until 1948, of which the main Officers were the Baron Bailie and the Baron Sergeand. Financial matters were attended to by the Baron's Procurator Fiscal, viz: "The Baron's Court" (1994) and "The Insignia of the Baronage of Scotland and Their Courts" (1989), published by the Convention of the Baronage of Scotland.

These Courts with these designated Officers were re-established for Prestoungrange and for Dolphinstoun in 1998 as a Company Limited by Guarantee. In 2002 they evolved to become a Scottish Charity [SC 033139] whose Objects are to advance the industrial and agricultural heritage of the Baronies in the new millennium working as may be appropriate with other community organisations. Myriad educational activities are in hand with the Prestoungrange Arts Festival involving pottery and historical murals. The 1908 Gothenburg is being restored for 21st Century use and as a heritage centre. The insignia and regalia of the Baronies have been invoked including Courts' Horns, Bailie's Badge and Chain, and Sergeand's Ellwand. Lord Lyon has granted Arms to current incumbents and the Prestoungrange tartan has been registered as shown on the rear cover here.
